SUPPORT

# Three areas, one team

## Fiduciary & compliance

- Fiduciary affairs and legal assistance
- Accounting and administration
- Incorporations
- SRO applications, KYC, FinSA and FinIA
- Audit preparation and internal audit

## Management

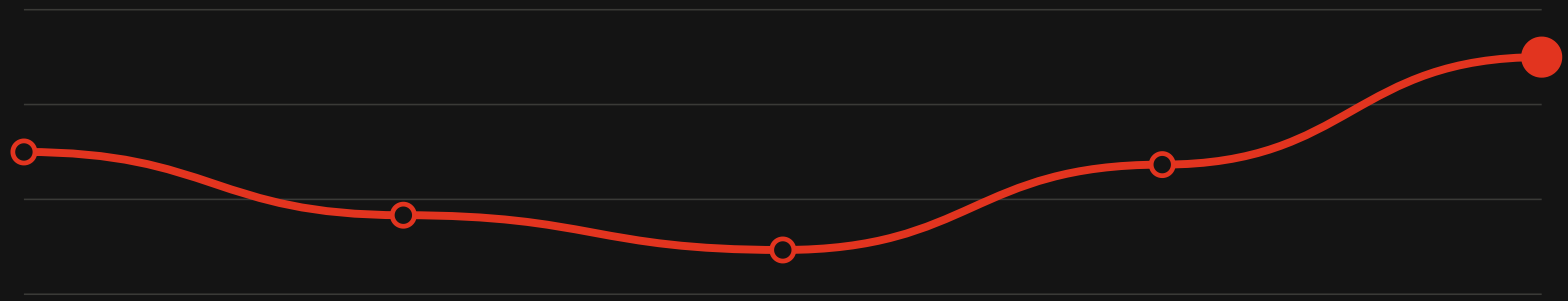

- Management consulting: independent analyses, drafting of regulations
- Interim management: full responsibility for operational management
- Crisis management: resources for bottlenecks, targeted measures

## Turnaround & transactions

- Restructuring and turnaround: structuring, digitalisation, repositioning, new markets
- Mergers and acquisitions, with the CDI Global network
- Global mobility: secondments to or from Switzerland without social security risk

S29 works with legal, financial and management experts in Switzerland: managers with long experience in demanding international contexts, able to act fast across borders.

# Data and SWOT driven

01 · PRAGMATIC

## SWOT first

The problems are usually known. A SWOT analysis puts them in order.

02 · DIRECT

## Feasible solutions

Only what can be done, to avoid further damage.

03 · LIQUIDITY

## Secure the cash

Including negotiations with banks where necessary.

04 · IMMEDIATE

## Quick wins

Improvements in processes and organisation while the business runs.

05 · SHORT-TERM

## Implement now

What is possible today, for a shared result.

§04 · TEAM

## Roland Wild

MANAGING PARTNER

Thirty years in international companies as CEO, COO or CFO. Six languages: DE, EN, FR, IT, ES, PT. “Direct, transparent and clearly not long-winded.”

## Sara Wild

MANAGING PARTNER

Raised in several countries, she connects client needs with what is possible. Client management, project management, legal, translations.

EXPERTISE

- Insurance & finance
- General management
- Project management & turnaround
- Interim management
- Process optimisation
- Client management
- Assistance
- Project management
- Legal
- Translations
